Diversey, Inc., Sturtevant, WI 2005 - 2017

Manager, Registered Products North America (2013 – 2017)

- Provided analysis, advice, expertise and project management for North American registrations (EPA FIFRA; FDA Cosmetic, Drug and Medical Device; Health Canada NNHPD and Bureau of Chemical Safety) and third-party certifications (Kosher, Halal)
- Negotiated with government agencies on projects and policy to obtain approvals of new products, amendments, and imports with business objectives in mind
- Participated in industry trade associations to monitor regulatory changes and trends as well as to provide input to advance business viewpoint
- Submitted and maintained USEPA registrations
- Provided strategic direction to department staff
- Supported local countries in international registration of North American products
- Acted as the registration advisor and Quality Assurance Unit (QAU) manager to the Good Laboratory Practices (GLP) program

Senior Registration Specialist (2011 - 2013)

- Obtained and maintained registrations through initial applications and amendments

- Advised product managers and business partners on registration issues
- Managed and strategized commercialization aspect of marketed products
- Assisted with export and import of antimicrobial products
- Acted as the registration advisor and QAU manager to the GLP program

Registration Specialist (2006 – 2011)

- Assisted in the development of marketplace labels per Federal and state guidelines
- Prepared and submitted applications and amendments to the California Department of Pesticide Regulation
- Acted as QAU Administrator and Auditor in the GLP program
- Coordinated with formulators to obtain supplemental registrations
- Provided registration documents to other countries for international registrations

State Registration Specialist (2005 - 2006)

- Registered new pesticide products and renewed licenses of existing products
- Submitted notifications and amendments to states as changes occurred to existing products
- Maintained state/sales shipping restrictions in business operating systems
- Managed and projected state fee budgets
- Reviewed marketplace product labels for compliance and state approval

Leifheit & Co., Racine, WI 2000 - 2005

Contractor for Consultant

- Product Toxicology: Prepared adverse effects summaries from product placement studies and maintained database of air care placement studies for a consumer client
- Provided initial compliance check for an institutional client by requesting and inputting data from raw material suppliers regarding the formulation and regulatory status
- Clerical and bookkeeping duties

EDUCATION

B.A. in International Relations, Lake Forest College, Lake Forest, IL; 2003

CORPORATE PROFESSIONAL AFFILIATIONS

British Chemicals Association (BCA) (Formerly BACS)
Center for Biocide Chemistries (CBC)
